## About This Game

### **SURVIVAL**

Avoid deadly traps and guards lurking around every corner in this ancient underworld. Strategize the safest route across each level - you can't fight back if you're spotted! Traverse seven gate-towers along the London Wall before reaching the Tower of London. Experience the vivid, colorful world of Tudor London as you explore and eavesdrop on the ghosts you wake in there.

### **THE UNDERWORLD**

Lead Willa through ever more spectacular gate towers. After checking in with Priory HQ first gate-tower an isometric recreation of Newgate Jail where you dodge the self-loathing Jailer. Get out of jail free, the next tower is Aldersgate Theatre and a world of exotic props and toys backstage where the masks have the final word. From comedy to tragedy, Cripplegate Hospital tower comes next. Here, mercy killing is recommended (go there, you'll see why). Play your cards right for a warm welcome at Moorgate Inn next where an excursion to Bedlam is on offer. Brewers are the rockstars of Aldgate and their attic is an enchanted Hop Forest, last stop before the Tower of London. Mashing up of fact and fiction throughout, this is home to Henry VIII, a couple of his late wives, Beefeater guards and The Executioner. You need to find the Royal Mint, win the Crown Jewels palace labyrinth the Royal Mint, an Armoury and Crown Jewels as they hunt for the cell where the prisoner is held.

took a while to get into it - but was worth it. good stealth and some good breaks in the play. music is very different and i thought the art work and cut scenes made it very diff. worth playing.. I like the dark tone of this game as I sneak through a medieval dungeon to rescue a member of the clergy. It's a fun and foreboding puzzle platform adventure set in old London. Check out my gameplay:

<https://www.youtube.com/watch?v=3oESUrwobEE&feature=youtu.be>. Wow - if you like graphic novels, if you like snaking and skulking - this app is a find. I recognise a lot of the medieval interiors of the City (London) - it's floorplans are amazingly true to life. Oh - and the music is serene. Get it, play it and get the kids into it. I love it.
